

## Volunteer Cat Care Assistant

### Summary

The Volunteer Cat Care Assistant plays an important role assisting the Society's full-time Shelter attendants with various tasks related to the daily care of our cats. These helping hands allow for a greater level of care, including increased exercise and enrichment opportunities.

### Essential Duties

- Be comfortable handling a variety of cats;
- Socialize with cats and kittens of all ages, sizes and breeds;
- Assist with basic grooming;
- Dispense fresh food and clean water;
- Wash and disinfect food dishes and/or litter boxes;
- General housekeeping/cleaning of animal areas
- Assist with animal care laundry.

### Additional Tasks

When time and talents allow, Volunteer Cat Care Assistants are invited to help with the following additional cat care tasks:

- Cat enrichment through play and individual positive-behaviour exercises and training.

### Schedule

Volunteer Cat Care Assistants are needed each and every day (7 days per week, 365 days per year) for the smooth operation of the Shelter.

The most essential Volunteer Cat Care Assistant shift is from approx. 10:00 am to 12:00 noon. However, Volunteer Cat Care Assistants may also be scheduled at other times throughout the day.
