

Volunteer Rabbit and Rodent Care Assistant

Summary

The Volunteer Rabbit and Rodent Care Assistant plays an important role assisting the Society's full-time Shelter attendants with various tasks related to the daily care of the rabbits and rodents (gerbils, hamsters, guinea pigs, etc). These helping hands allow for a greater level of care, including increased exercise and enrichment opportunities.

Essential Duties

- Be comfortable handling a variety of rabbits and rodents;
- Socialize with rabbits and pet rodents of all ages, sizes and breeds;
- Assist with basic grooming;
- Dispense fresh food and clean water;
- Wash and disinfect food dishes and/or litter boxes;
- General housekeeping/cleaning of animal areas
- Assist with animal care laundry.

Schedule

Volunteer Rabbit and Rodent Care Assistants are needed each and every day (7 days per week, 365 days per year) for the smooth operation of the Shelter.
