Dear Pet Owner,

I wish to thank you for trusting the PEI Humane Society's Safe Haven program to care for your pet. From the entire PEI Humane Society team, trust me when I say we understand how large of a decision you have made in choosing to contact the Safe Haven program. We do not take your decision lightly and understand how significant this is for you.

Our first goal in creating the Safe Haven program is your peace of mind.

Safe Haven offers a no-cost housing alternative for those whose pets have nowhere else to go. We aim to offer comfort and care for your pet while things are in transition in your life. We offer this at no cost to you and with 100% guaranteed confidentiality.

Whether we're caring for them for a week or longer, I want you to know we will treat them like our own. Playtime and good food await your pet in our shelter.

We saw the need for Safe Haven on PEI and have been offering a version of this program in our shelter for some time. In 2021, thanks to new funding offered by 100 Women Who Care, we are now able to offer it on a larger scale.

I wish to offer you my heartfelt well wishes at this time and let you know you can rest assured that your pet is in good hands.

Sincerely

Carolyn Thorne

Executive Director

PEI Humane Society

## What is Safe Haven?

Safe Haven is a free emergency animal housing service offer by the PEI Humane Society.

This program is designed to offer safe and confidential temporary housing solutions for companion animals whose owners are in emergency situations or who cannot care for their animals for a period of time.

This service is designed to give pet owners peace of mind with regards to their animal's safety.

Pet owners can apply for Safe Haven while they reside in addiction treatment facilities, find themselves in unstable housing situations, are escaping domestic abuse or any other number of reasons which prevent them from being able to care for their pet for a period of time.

Each case is assessed on an individual basis and is done so with the guarantee of 100% confidentiality.

To apply to Safe Haven, applicants can download the application form at [www.peihumanesociety.com](http://www.peihumanesociety.com) and contact [info@peihumanesociety.com](mailto:info@peihumanesociety.com) to have someone reach out for assessment.

## What Safe Haven offers:

-  A safe space for pets to remain while owners are in transition
-  Food, daily walks and socialization
-  Peace of mind
-  100% confidentiality

We understand that companion animal welfare concerns can sometimes be a barrier to progress for those in transition or who are in crisis. By offering safe, no-cost housing for pets during times of need, Safe Haven aims to lessen the stress and uncertainty of both owner and animal.

**Let us look after their wellbeing while you look after yours.**

In the case of an emergency procedure being needed, I will be informed at the earliest possible time but as it is an emergency, the PEI Humane Society will not wait for my permission but will instead proceed in my pet(s)' best interest.
